

**Saturday 24th Feb**  
**9.45am - 12.30pm**

**King's Church Hall 104, Gilmore Place EH3 9PL**

If you live in the local area, this is an invitation to help us design a Green Plan for the old brewery canal-side site at Fountainbridge. The acres of public space in between the buildings and connecting to the canal could include green, beautiful, and productive areas if we put our minds to it! Let's make sure it's not a concrete desert and create a local amenity for future residents and the community to enjoy.

Coming to help us: **The Grove Community Garden, Re-Union Canal Boats, Polwarth Canal Garden, The Shed Group, Grass Roots Remedies Co-op, Council landscape architects, Developers, Wester Hailes Wildlife, Earth Calling, Bridgend project Scottish Waterways Trust, pupils from local schools, and YOU....**

## Programme

- 9.45 **Registration and Coffee**
- 10.00 **Introduction: Canal Champion Cllr Gavin Corbett**
- 10.15 **What we need to know?** A chance to browse information stalls set out by a range of local groups and organisations and collect our thoughts about how this space could be transformed and maintained - and the benefits it could bring to the area.
- 11.15 **Round Table Mapping**  
Modelling/painting/sticking/collage etc Space to sit, discuss and create 'visual' maps' (no experience required!). Feel free to bring along your own pictures/photos/magazines

12.30pm **Hot soup provided.** Bring your own sandwiches

Sign up to be part of the Green Plan.

**Sorry no creche but children welcome**
