Tollcross Community Council

Agenda Wednesday 30 January 2019

Tollcross Community Education Centre 117 Fountainbridge

The Meeting will close start at 6.45pm and close at 8.45pm.

- 1. Welcome & apologies –**
 - a. **AOCB**
- 2. Declaration of interests.**
- 3. Police matters – With local Police Scotland Community Officer.**
- 4. Minutes Wednesday 28 November 2018 –**
 - a. Matters arising.
 - b. Acceptance.
- 5. Tollcross CC area matters –**
 - a. **Car parking on Gilmore Place - AB**
 - b. **Meadows Management Plan - AB**
 - c. **Localities / Community Planning / Edinburgh Partnership (attached) – AB/PB**
 - d. **Canalside updates: FCI Sounding Board and Steering Group (attached) - RA**
 - e. **Bins – FA**
 - f. **Community Centre updates: Management Association AGM and meeting (attached) - RA**
- 6. Councillors' Comments & Questions.**
- 7. Planning – PB.**
- 8. Licensing – RC**
- 9. AOCB –**

Our next meeting of Tollcross Community Council is:

Wednesday 27 February 2019 @ Tollcross Community Centre.

Tollcross Community Council
Minutes of meeting of Wednesday 28 November 2018, 6.45pm
Tollcross Community Education Centre, 117 Fountainbridge

1. Welcome and apologies

Present: Fiona Allen, Paul Beswick (Treasurer), Iain Black, Andrew Brough (Chair), Roger Colkett, Andy Devenport, Saty Kaur (Secretary), Andreas Wilhelm, Chris McGregor, Richard Allen (part)

In attendance: Gandolf (part)

Apologies: Ann Wigglesworth, Liz Summerfield, Councillor Karen Doran

2. Declarations of interest – none

3. Community Engagement with EUSA – No representative from EUSA attended the meeting so this item was not discussed

4. Police matters – PC Wotton updated the CC as follows:

- a. Three housebreakings have taken place in this period (two in Rosemount Buildings and one to a garage in Lower Gilmore Place)
- b. Increase in assaults during this period
- c. Increase in road safety incidents with 7 ‘fail to stop and report’ incidents and 1 incident of careless driving and no insurance
- d. Incidents of theft include lockers and an attempted robbery on Grove Street. Suspect has been charged for numerous pedal cycle thefts under Operation Agora (62 incidences)
- e. There has been a recent spate of young people on bikes throwing condiments at the public with three further incidents this period – one identified as a hate crime in Grove Street
- f. There were 4 incidents of vandalism and a store robbery at Bryson Road
- g. The CC also flagged up an incident of graffiti at Grindlay Court with offensive language which was previously reported but has not been cleaned up to date **SW to check progress with CEC**

5. Previous minutes (31 October 2018)

- a. Matters arising – action 10b is being progressed by AD
- b. Accepted by FA and AB.

6. Tollcross CC matters

- a. Bin issues: FA has written to the four City Centre elected members and will continue and report on progress
- b. City Centre Transformation exhibition: this is the first stage of consultation and further engagement/consultation will be carried out next year which TXCC will respond to. Clarity is still needed on the detail of the proposals but hopeful that this will appear as the project evolves
- c. Noticeboard update: TXCC have decided not to progress a second stand alone noticeboard but instead to look at how to make better use of community noticeboards in shops and cafes in the area to promote the CC, meetings etc

- d. A-boards and non compliance: overall the new policy is welcomed by TXCC. There are still shops/businesses that are not adhering to the new policy but CEC are enforcing and improvements are being noticed. Any reports of policy breach should be made direct to CEC
- e. Water usage / wastage position paper: FA has been trying to find out if there is any research underway on this subject. **SK to speak to sustainability networks**
- f. Meadows Management Plan: Comments by January 2019 and TXCC will express concerns that they have to be considered in the plan
- g. EACC update: AGM voted a new VC (John Tibbitt, Leith Links CC)

7. Councillors update: Councillor Doran sent apologies therefore no update at the November meeting

8. Planning:

- a. **18/09164/FUL – 24 West Tollcross:** Change of use of a vacant retail unit to student lounge **GRANTED**
- b. **18/04172/FUL – 50 Nicolson Street:** Change of use from Class 11 (Assembly and Leisure) to public house and minor external alterations (JD Wetherspoon) **GRANTED**
- c. **18/01693/FUL – 135A-136 Princes Street (Santander):** Change of use from Class 2 (Bank) to Class 3 (potentially including an ancillary level of takeaway) and the installation of rear extract duct **GRANTED**
- d. **18/09804/PAN – 24 Westfield Road:** Erection of mixed use development comprising student accommodation and ancillary uses, commercial uses and associated landscape and infrastructure **PRE-APPLICATION CONSULTATION APPROVED**
- e. **Lower Gilmore Place update:** Meeting organised by Glencairn (developers), CEC, residents and TXCC to look at public realm options

9. Licensing:

No new applications this period.

New policy document has been published following consultation and TX will remain an area of overprovision with other areas also identified as areas of overprovision.

10. AOCB:

- a. **South East Locality Committee:** Discussion at the LC on Monday re safer routes to schools for Tollcross Primary School. A locality work plan is to be established.
- b. **South West Neighbourhood Partnership:** Wester Hailes bonfire night issues – in the fortnight leading up to bonfire night there were no less than 30 tonnes of bonfire materials collected.
- c. **South West Neighbourhood Partnership:** there has been an increase of vandalism reported to Saughton Park which is being investigated by CEC and Police Scotland
- d. Update on the old brewery clock which is being moved to Fountain Park

The next meeting of Tollcross Community Council is on Wednesday 30 January 2019 at the new time of 6.45pm in Tollcross Community Education Centre.

Item 5c - Localities / Community Planning / Edinburgh Partnership

Workshop on Community Planning/Locality Community Planning Partnerships/Neighbourhood Networks. 10 January 2019

Edinburgh Partnership: Developing the Governance Model: Locality Session

The Edinburgh Partnership, as the community planning body for the city, has undertaken a review and consultation of its governance arrangements to create a new framework at city and locality levels. The aim is to make the Partnership more accountable and open, and improve the approach to working with communities.

Over the last 8 months, the Partnership has spoken to people and organisations across Edinburgh about how it is organised. Feedback from this identified that the way of working was too complicated and it was not clear about what decisions are made, where and by whom, or how to get involved. The Partnership listened to these views and has now agreed new governance arrangements which will be established in April 2019.

As part of this process, further engagement is taking place between November 2018 and January 2019 with partnerships in the city. The purpose is to develop the final remits and memberships of these groups. This feedback will inform the final governance framework to be considered by the Partnership in March 2019. The engagement includes dedicated sessions in each Locality with Neighbourhood Partnerships to:

- Create an improved understanding of community planning and how the Edinburgh Partnership will be structured to deliver this in future;
- seek views on the remit, role and membership of the new Locality Community Planning Partnerships; and
- seek views on a core remit, role and membership of the new Neighbourhood Networks.

An overview of Community Planning was given by the locality manager:

- Edinburgh Partnership Board
- Local Outcome Improvement Plan Delivery Group
- Children's Partnership
- Community Safety Partnership
- Community Learning and Development Partnership
- Four Locality Community Planning Partnerships
- Neighbourhood Networks

The Workshop set out to explore 2 themes via table discussions.

1. Local Community Planning Partnerships

The Edinburgh Partnership has determined that the Locality Community Planning Partnerships (LCPPs) will be responsible for the Locality Improvement Plans. The LCPPs are to be established by April 2019. Tables were asked to discuss:

- Beyond the LIP, is there any other Partnership activity the LCPP could be responsible for?
- How do we ensure effective links between the LCPPs and the city community planning partnerships?
- Who should be involved in the LCPP?

2. Neighbourhood Networks

Neighbourhood networks are to be established to strengthen and support wider community involvement in community planning. The Edinburgh Partnership recognises that developing the networks will take time. The initial focus is on identifying the elements that will be consistent to all the networks in the city and provide the formal governance.

Tables are asked to consider:

- Beyond having a responsibility for meaningful community engagement, is there anything else the network could be responsible for?
- Who should be involved to ensure the different community voices heard?
- How should the networks link to the LCPPs?

Round Table Discussions:

On my table we spent a lot of time trying to sort out how the partnerships would reference and work with each other. The two groups planned one: Localities Outcome Improvement Plan would in effect replace Neighbourhood Partnerships and be a better v2 of the group. All local groups, members of the public etc could come together and put ideas, concerns, improvements to the local area on the table here. It was hoped that alongside Community Councils that reporting items to the two: Partnership Group on Locality Community Planning Partnership that would include among others – Community Safety, Health, Employment, Children’s services etc and would work together to solve problems on the ground.

All this is at an early stage and will need to be agreed on when the other localities had met. We hope that partnership working across the Council, NHS, Police, Fire, Local groups etc would make a real difference our Localities.

Item 5c – Localities Committee update from AB

Police youth crime special operations around Meadows and Quartermile going well so far, with a focus on anti-social behaviour of youth groups.

Officers are continuing to develop a traffic plan around Tollcross Primary School. On going and will report back to committee.

Meadows events damage was discussed on feedback including the management of crowds, damage and noise. Parks and Greenspaces have event planning groups and concerns have been put forward for future planning.

Gilmore place parking. Cllr. Mowat asked to review the enforcement measures and get a way forward to improve the situation over cars hanging over the pavements blocking the pedestrian side walk.

Item 5d – Canalside updates

Fountainbridge Canalside Sounding Board, Tuesday, 18 Dec 2018

	Action
<p>1. Welcome and apologies</p> <ul style="list-style-type: none">GC welcomed all and reiterated purpose and remit of group:<ol style="list-style-type: none">Ensure participants are well informed about developments in the canalside area of Fountainbridge.Share ideas, insights, concerns, observations.Give community members an opportunity to influence how the area is shaped.	
<p>2. Previous minute of meeting</p> <p>Items from previous minutes not to be covered in meeting agenda:</p> <p>a. Wikihouse</p> <ul style="list-style-type: none">Confirmed Wikihouse moved. <p>b. Fountainbridge Green</p> <ul style="list-style-type: none">Re-Union taking lead on coordinating space and volunteers. Order raised for sculpture removal. AC chasing Napier for input. <p>c. Fountainbridge Brewery Clock</p> <ul style="list-style-type: none">Fountain Park visited representatives visited clock and interested. AC progressing. Vastint also expressed interest. <p>d. Hoardings</p> <ul style="list-style-type: none">Hoarding installation around Vastint site will start soon, and will extend to east of site on Gilmore park.Advertising sections (similar to Dundee Street) will allow for community panels with advertising company responsible for maintenance and repair. Potential for school graffiti wall and Edinburgh Printmaker panels. EM enquired for space for The Forge, EM to pass contact details to GMcGInstallation potentially starting January/February. <p>e. Lift bridge</p> <ul style="list-style-type: none">Sustrans providing £350,000 funding to refurbish bridge which will take 6 months from January 2019. This will result in a fully operational bridge for all users, reinstating boat access to and from Lochrin Basin. <p>Pedestrian/cycle access to be provided on temporary structure during the works.</p>	<p>AC</p> <p>EM</p>
<p>3. The Edinburgh Boatel</p> <ul style="list-style-type: none">IM had been developing boatel idea with Scottish Canals for 2 years, and this actual proposal for 12 months. Provided background on the proposal (planning application 18/08091/FUL) for first 5 of 12 stationary hotel boats from Viewforth to Lochrin Basin and welcomed feedback.	

- General agreement that canal was an asset and staying on the canal was a great idea; location of the proposed boatels was the issue and not the idea itself which was seen as contributing to canal use. Areas of concern outlined by community representatives included:
 - though boatels would not be displacing residential space, there was a volume of transient population already in area and were trying to promote a community.
 - navigational concerns around Viewforth bridge with permanently occupied moorings reducing waterspace.
 - proximity to school with implications for access and arrangements for management, maintenance, and pumping out; would all have to take place on hardstanding in front of busy space at school. Would hinder school outlook and access to canal for activities and create an additional pupil management issue for the school.
 - disappointment in lack of consultation on proposal from applicant and Scottish Canals, which would have been welcomed.
 - concern for safety and security of boats and occupants
- Earlier consultation and engagement would have been welcomed from all sides to share and understand idea and specific issues. GC take up with Scottish Canals on thinking around moorings strategy and developments since the original Canal Strategy.

4. Fountainbridge (India Quay) Update

- [Paper](#) submitted to [Housing & Economy committee on 1st November](#), circulated round group. Increases affordable home provision to 40%.
- [Planning application 18/09769/AMC](#) submitted for plot W3. Incorporates discussion through greenspace group and change from build-to-rent to mid-market and market rent housing.
- E2 will include mix of price ranges, with collaborative working space.
- Exploratory stage of enabling works will start in the new year, with coordination of other activities and uses on site (e.g. The Forge). Enabling works would be limited, and provide more detail when extent known.
- Business case will go to Finance & Resources committee in March, and if approved, would start procurement process; this would last around 6 months, then anticipate 2.5 – 3 years to full development.
- Commitment to energy centre located in plot W1 capable of scaling up to provide district heating across the wider area. Procurement approach will seek a single lead development partner (which could involve a consortium) and strategy focused in this way to optimise district heating delivery with it tied up with owners of housing and office blocks ability to uptake from energy centre.

5. Street Naming

- No record of EDI names collected.
- AC to redistribute street naming paper.

AC

<p>6. District Heating</p> <ul style="list-style-type: none"> • Energy centre located in ground floor of W1. This will give best ability to deliver all requirements of strategy and how work with partner in the design, build, operate and management of the energy centre as outlined in the Paper submitted to Housing & Economy committee on 1st November. Potential for leasing arrangement but would still be owned by CEC. • To date no funding secured from Scottish Government which offers specifically funded opportunities with set application periods. Information is being shared wider to raise awareness of district heating aims. • Energy centre would be designed for what is optimal for initial energy users but have capacity for additional connections to the system. • Vastint development will proceed at quicker pace, though will be future-proofed by providing ducting. Boroughmuir HS has ducting in place. This would enable connection to district heating system when boilers are replaced or upgraded. Element of retroactively fitting may be unavoidable due to timings of planning permissions of other sites and pace of development. Potential for bringing energy centre earlier in delivery programme dependent on timescales and viability through the development of other parts of site or commitment to develop. • Information sharing and discussion sought as much as possible, outwith contractual discussion which would be commercially sensitive and therefore 'B' agenda at committee. • JJ raised potential for mini-conference or workshop gathering people with appropriate skills knowledge; this would need thought on how people could be involved and to the outcomes. 	
<p>7. Greenspace within Fountainbridge developments</p> <ul style="list-style-type: none"> • JJ reiterated the positive experience and process of the meetings and sub-groups in taking on feedback and ideas and incorporating into subsequent plans. • Combined plan produced and looking at treatment of 'Leamington Square' and network of green spaces, and contracts and factoring options being explored. • Grant awarded from UoE Department of Social Responsibility and Sustainability, which will fund a research study of urban community growing initiatives, green gathering and information panels, and help inform what people like and want. • Edinburgh Quay responsive to maintaining space they are responsible for; SZ pass contact details to AC. • Re-Union to help coordinate progress on Fountainbridge Green. Discussion with school on landscaping contract, and role school's gardening club can take. Issue with parking on Bainfield Road, though TRO in progress to designate as double-yellow lines. <p>8. Other sites update</p> <p>a. Vastint / New Fountainbridge</p> <ul style="list-style-type: none"> • Planning application for Phase 2 residential and canalside blocks to be submitted by end of week (21 December). Aim to start onsite in March for hotel and office components, with opportunities for dialogue with Edinburgh Printmakers on art feature requirement. • Commitment to support towpath and cycle route links to Haymarket and liaising with Sustrans and Scottish Canals, including on timescales and sequencing of work. 	<p>SZ</p>

b. Moda / Springside

- Making good progress and expect to be onsite in April with first phase. Consent for Block D (middle block) and looking to make some improvement from design and amenity point of view.
- Submission for Block E hopeful for February/March and application to be submitted to amend elements of public square to east of that. Pavilion was part of original Grosvenor application with public square as sales office which is not required by Moda. Would therefore like to look at options and landscaping of public square. Opportunity for making green connection across to other sites.

c. Other Developments

Glencairn / Lower Gilmore Place

- Progressing a new design and planning submission in-line with feedback from the local community, Edinburgh planning team and the DPEA decision. A submission will be made early next year following one more round of public consultation.
- Exploring public realm space options for Lower Gilmore place.

Edinburgh Printmakers / Castle Mill Works

- In process of moving into building though contractor still onsite finishing work and snagging. Union Street building will close at end of week and there will be a phased series of moves, due to quantity of technical equipment and archives.
- Courtyard tendered separately; will take 5 weeks and due to complete at end of February.
- Phased launch of building as no public will be allowed onsite until completion certificate received; currently has a temporary completion certificate and some office staff onsite.
- Gates commissioned from Glasgow artist Rachel Duckhouse, and drawing on heritage of the site, have been installed.
- Original opening date of April may have slipped slightly. Projects with Scottish Print Network, Edinburgh Collage of Art, and a community project targeting hard to reach people will coincide with opening. Potential earlier access for members once equipment has been moved.
- [Information sessions](#) scheduled for the affordable studio and work space available for creative industries/entrepreneurs.
- Temporary solution for artist flat access and agreed interim solution for security.
- Area earmarked for extension to be used as soft landscaping space for now.

9. AOCB

a. FCI

- Bike for Good cycling charity providing training for cyclists and refurbish bikes interested in developing bike café with Fountainbridge and are due to meet with Chris Jetten. Potential invite to next sounding board.
- Would like social enterprise item on site on agenda; GC/DC to discuss what desired outcomes would be to help guide item.

<p>b. Canal BID</p> <ul style="list-style-type: none"> • DD outlined potential canal basin Business Improvement District (BID) which collects business levies within a defined area, with that area deciding on how the BID uses funds. • Scottish Waterways Trust have held seedcorn funding and identifying BIDs to progress, with an option for Fountainbridge. • Ballot process after consultation process with stakeholders. Year to 18 months process probably before ballot. • DD will draw up note for discussion for next time. <p>c. Ed Uni</p> <ul style="list-style-type: none"> • Group of landscape architect students looking at canal as part of studies. FCI participating in this. 	<p>GC/DC</p> <p>DD</p>
<p>10. Dates of future meetings</p> <ul style="list-style-type: none"> • Tuesday, 26 March, 2pm – 4pm. Mandela Room, City Chambers. • w/be 24 June 2019 • w/b 23 September 2019 • w/b 16 December 2019 	

Fountainbridge Canalside Steering Group – 15 Jan 2019

- History exhibition in Boroughmuir School, the school has agreed to the history panels being shown in the school prior to fitting to the hoardings. Date and details to be arranged but possibly late February
- Cycle cafe as a social venture was discussed and future inclusion of this venture would be welcomed along with an investment in cycle training and use along the towpath
- Wikihouse is now in place in the primary school yard and awaits council inspection and sign off. It is intended for a formal handover to take place once it is certified. There is a need for steps / ramp access to be addressed.
- Green Plan project Funding for the project has been received and initial plans for surveys and studies has been outlined. This work will be done over the next 6 months
- The University of Edinburgh “blue sky” planning project is proceeding and FCI will be involved with other local groups. Details to follow.
- The AGM will be held in April date to be confirmed venue Viewforth church. It is hoped that students from UoE will be able to present some of their initial findings. A special speaker on urban greening will address the meeting.
- The current funds look healthy with the addition of the green plan grant.
- Some maintenance work on the Wikihouse was agreed.

Date of next meeting Tuesday 19th February

Item 5f - Community Centre updates

Management Association, 16 Jan 2019 meeting update

1. Following welcome and introduction, The following members were elected office bearers
 - Chair R Allen
 - Vice Chair Gandolf
 - Secretary G McCaughan,
 - Treasurer B McGill

3. AGM 2018 draft Minutes were Reviewed no changes
4. Business Matters Finance Report showed healthy surplus
5. BUG Attendance 24th January 2.00pm it will be raised that if these meetings are not documented there is no point in having them
6. Insurance Liabilities the committee will look at public liability, accident and employers insurance.
7. There were no Funding requests
8. 2 Requests for Centre Lets were agreed
9. No Centre Membership Requests (group & individual)
10. Building management:
 - Swipe Card Access until formal representation to the committee of a request for joint action no further action will be taken
 - Car park there appears to be some misunderstanding over access to be raised at next BUG

DONM - Wednesday 13th February 6.30pm

Tollcross Community Centre Association ANNUAL GENERAL MEETING - WEDNESDAY 28 NOV 2018

Following welcome and review of previous meeting the chair reviewed the year, which included continuous improvement to the Centre and providing funding support to a number of Centre groups with financial grants. In the year ahead we hope to refurbish and upgrade the toilets, and replace the front door in partnership with the Council and make any other improvements to the Centre that are identified. The Committee remain concerned about the ongoing Council re-organisation which may mean changes to the management and clerical support provided to the Association by Council staff. We would like to express thanks to the Centre Manager and his staff Firkte and Fiona for their help and support in the past year.

It was reported that the Centre used to have a dedicated Manager, but now this work is now being shared between business support and the Committee. The Council is developing a keyholder policy which will be getting rolled out over the city. Tollcross Centre will be one of the Pilot Centres which will be introducing a swipe card system. The council are also looking at an online booking system and this may affect the Committee's income.

Report from Centre Groups included:

- Tollcross State Circus – have operated on a voluntary donation basis with the funds being given to the Committee but the new Council charges are too expensive to do this and they have been looking at alternative venues in which to operate.

- The Healing Group – run in the Centre every Thursday and everyone is welcome to attend. There are no fees, just a voluntary donation is made.
- The Yoga Class now runs one class at Tollcross on Wednesdays and another class at Boroughmuir High School.
- The community garden at Gardiners Crescent and would welcome volunteers. They meet once a month.
- A new ALP Association Group based around campaigning.

Presentation of annual accounts : at the end of the financial year unrestricted funds stood at £42,312. Income over the year was £14742 and expenditure was £12076. The Committee had set funds aside and spent considerable time and effort into looking at refurbishing the Centre toilets and replacing the front door but unfortunately this work has not yet been carried out. Brian proposed the re-appointment of Greenbank Chartered Accountants

Election of Board of Trustees:

Dave reported that there were no written nominations to the Board. The Board was elected unopposed Current members being – Brian McGill, Richard Allen, Anne Wigglesworth, Kenny Owenson stood down as chair but will remain on the Committee, MD Noor Allam, Gina McCaughan, Gandolf and Rona Brown.

The next Committee meeting will take place 16 January 2019 at 1830 at which time Office Bearer Posts will be agreed.

Tollcross Community Council Councillors: Fiona Allen • Richard Allen • Paul Beswick • Iain Black • Andrew Brough • Roger Colkett • Andrew Devenport • Saty Kaur • Chris McGregor • Liz Summerfield • Andreas Wilhelm • Ann Wigglesworth.
